ABC Techno LabsTM
India Private Limited
 (Accredited by NABL, NABET, MoEF)

About Us

ABC Techno Labs India Private Limited is an Environmental Engineering and Consultancy Organisation constantly striving towards newer heights since its inception in 2006. Our Company is dedicated to provide strategic services in the areas of

- Environment • Infrastructure • Energy
- Engineering • Multilab

G.MURUGESH
Chairman and Managing Director

ABC is accredited by Quality Council of India - National Accreditation Board for Education and Training (QCI - NABET). An approved consultant for carrying out EIA studies and obtaining environmental clearance for various industrial sectors such as Thermal Power Plants, Infrastructure, IT Parks - Industrial Estates/ Complexes/ Areas, Mining, and Large area development and Building construction projects & etc. Our full fledged Multilab is accredited by NABL under 1SO 17025, Department of Science & Technology, Government of India and by Ministry of Environment and Forests (MoEF). Under the Environment (Protection) Act, 1986. Our organisation is also certified under ISO 9001:2008, ISO14001:2004 & OHSAS 18001:2007. ABC is a member of Confederation of Indian Industry (CII).

ABC holds a team of highly talented professionals, who work in sync with clients ensuring that the defined assessment, survey or reporting is executed with high level of efficiency. Our proficient team consists of Environmentalists, Policy makers, Geologists, Chemists, Engineers, Industrial hygienists, Technicians, Research Associates, Sociologists and others with expertise in various key areas.

ABC has a proven successful track record of working with industry & institutions and in executing multi faceted projects funded by organizations like World Bank, UNDP, MoEF, amongst others. ABC Techno labs India Private Ltd has laid down new benchmarks in all its areas of strategic operations by our dedicated team of outstanding professionals and client-centric approach, as clearly evident by our accomplishments/ clients list.

Our Policy

We are committed to 100 % customer satisfaction by

- Providing High Quality Consultancy services
- Time bound reports submission
- Deploying competent Engineers and Scientists
- Implementing Best Available Technology
- Maintaining good Public Relation practice
- Continually improving the effectiveness of Quality Management System

We are the first firm in India to be accredited by QCI, NABET (National Accreditation Board for Education and Training), Quality Council of India, as an EIA Consultant Organization.

Laboratory

We are equipped with In-house, spacious laboratory, accredited by NABL (National Accreditation Board for Testing & Calibration Laboratories), Department of Science & Technology, Government of India.

- Focus on Environmental sustainability
- Technology with Creativity
- World Class Infrastructure
- International Management Standards
- Continuous Improvement

..... All the above in a perfect blend at ABC

Our Services:

1. ENVIRONMENTAL SERVICES

- Environmental Impact Assessment (EIA)
- Environmental Management Plan (EMP)
- Social Impact Assessment (SIA)
- Environmental Monitoring
- Source Apportionment Studies
- Environmental Audit
- Health and Safety Audit
- Socio Economic Studies
- Resettlement & Rehabilitation Plan
- Ecological & Human Health Risk Assessment Studies
- Risk Assessment Studies
- Ecological Impact Assessment
- Marine Ecological Studies
- Marine Impact Assessment
- Environmental Management Framework
- Due Diligence Study
- Public Consultation/ Focused Group Discussion
- Compliance Monitoring
- Forestry & Bio Diversity Studies
- Solid Waste Management
- Hazardous Waste Management
- Bio Medical waste Management

Environmental Modeling

- Air Pollution Modeling
- Noise Pollution Modeling
- Water Pollution Modeling
- Risk Assessment Modeling
- Hydro Geological Modeling

2. ENGINEERING SERVICES

- Site Appraisal
- Geo Technical Investigation
- Hydro Geological studies
- Ground water Studies and Clearances
- Rain water harvesting studies

3. TURNKEY PROJECTS

Water Treatment Plants

- Ultra Filtration System (UF)
- Reverse Osmosis Plant (RO)
- Demineralization plant (DM)
- Softener
- De – Salination Plant
- Mineral Water Treatment Plant
- Process Water Plant

Sewage Treatment Plant

- Activated Sludge Process
- Extended Activated Sludge Process
- Fluidized Bed Bio Reactor (FBBR)
- Submerged Aerobic Fixed Film Process (SAFF)
- Sequential Batch Reactor (SBR)
- Bio Gas Utilization Anaerobic digestion

Recycling & Water Conservation Systems

- Ultra Filtration with Reverse Osmosis (RO)
- Membrane Bio Reactor

Zero Discharge System

- Recycling plant with Solar Pond
- Recycling plant with Mechanical Evaporator
- Recycling plant with Evaporator and Crystallization System

Other Services

- Operation & Maintenance of Water and Waste Water Plants
- Water & Waste Water Treatment Chemicals
- Pilot Plant studies
- Feasibility studies & preparation of budgetary estimates

4. MULTI LAB DIVISION

Chemical Testing

- Potable water, Packaged drinking water and Natural mineral water as per European / WHO / Indian standards.
- Containers, Films and Pouches for packaged drinking water

Environmental Testing

- Ambient Air Quality Monitoring
- Indoor Air Quality Monitoring
- Stack Emission Monitoring
- Fugitive Emission Monitoring
- VOC Monitoring
- Meteorological data monitoring
- Noise Level Measurements
- Water & Waste Water Analysis
- Sludge Analysis
- Leachate Analysis
- Hazardous waste Analysis
- Soil Analysis
- Used and waste Oil Analysis

Microbiological Testing

- Sterility testing
- Endotoxin testing
- Antibiotic assay, Vitamin assay
- Microbial limit test
- Processed foods
- Sea foods/ Dairy/ Egg/ Poultry Products
- Raw and finished agricultural products
- Bio load studies

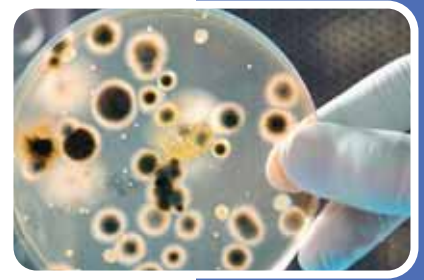

5. PHARMA TESTING

Pharmaceutical, Siddha & Ayurvedic Testing

- Raw materials
- Intermediates
- Bulk drugs
- Finished products
- Heavy metal testing in ayurvedic and other natural products
- Natural Toxins, Pesticides in ayurvedic and other natural products.

Food Testing

- Raw and finished agricultural products
- Oils and fats
- Marine Products
- Poultry Products
- Dairy products
- Processed foods and beverages
- Nutraceuticals
- Chemical, biological and physical evaluation of sea food for safety purpose.

Major Key Sectors We Serve

- Mining and beneficiation of minerals
- Thermal power plants
- Nuclear power projects
- Metallurgical industries
- Petrochemical industries
- Chemical and fertilizer industries
- Leather processing industries
- Hazardous chemicals isolated storage
- Common hazardous waste treatment, storage and disposal facilities
- Common municipal solid waste management facilities
- Large constructions, township and area development projects
- Refineries
- Distilleries
- Sugar industry
- Industrial estates
- CETPs
- Soda ash industry
- Oil & Gas Exploration
- River Valleys
- Coal Washeries
- Leather Industries
- Paint Industries
- Building and Infrastructure Projects
- Textile industries
- Synthetic organic chemicals
- Integrated paint industry
- Pulp and paper industry
- Oil and gas pipelines
- Airports, harbours and ports
- Cement industries
- Chlor-alkali industry

Rightful Recognition

Accredited by Ministry of Environment and Forests (MoEF) Under Environment (Protection) Act, 1986.

Member of Confederation of Indian Industry (CII)
